

Membership

A motion was made at our General Meeting to charge a \$10.00 membership fee annually.

Your Directors would like this fee to be voluntary but reminds you that it costs money to keep our members informed. To date your Directors have donated personal funds towards mailing costs, photocopying, and rental fees for our General Meetings.

Thank you to those who made donations at our General Meeting!

If you wish to pay the voluntary membership fee please fill out the membership form and mail to the address provided. E-mail addresses are most appreciated. If you wish to be removed from our membership list please email your request.
